Thank you... yes YOU! Even in difficult times Department of Human Services (DHS) employees rise to the occasion by donating funds through the Utah State Employees' Charitable Fund (USECF). This year DHS employees gave over \$34,000 which was only a slight decrease from last year when budget cuts were not looming.

Please view the many letters of thanks on the USECF website:

Thank you again for your generous support! Don't forget, one-time donations can be given any time during the year.
